

## Pole Mounted

In-ground or plinth mounted:  
Purchase poles separately  
then install U-Turn.

## Oversized Through Panel

For fitting into a panel: Slot in  
through front and screw in place.  
Purchase Oversized Panel U-Turn  
as a stand alone product.

## AudioSign Turn

The U-Turn can be built into a sign  
using a special behind panel  
version. Either purchase an  
AudioSign Turn or contact us for a  
bespoke option.

## Wall Mounted

Directly fitted to a wall (plate in  
image used because the wall  
wasn't flat): Use available rear  
holes on U-Turn.
